## Going on the Stage.

Miss Georgette Jette, who recently  
completed a long course of study at  
the Emerson School of Oratory, Bos-  
ton, has decided to go upon the stage,  
and has contracted to appear for 36  
weeks with a select stock company,  
to play at Lowell and Haverhill. Miss  
Jette is possessed of much talent and  
her friends predict for her a brilliant  
career.

## Stripes For Railroad Gates.

The railroad gates at the Main  
Street crossing are to be striped with  
black over and underbody of white  
paint, this arrangement to increase  
the visibility for the benefit of the mo-  
torists and others who need to know  
that the gates are down.

## Preparing For Record Vault.

Starting from the basement, work-  
men are engaged at the town hall in  
making ready for the installation of  
record vaults. A section of the first  
floor has been cut out and the north  
end of the hall gallery taken down to  
make room for the concrete outer  
walls, which will come up from the  
basement in the lobby near what was  
the north side entrance.

## Local Barbers Beat Putnam.

Danielson barbers defeated the Put-  
nam barbers, 14 to 3, at the baseball  
game at the union outing. There was  
a great deal of interest in the game,  
which was featured by some sensa-  
tional plays, including the barbers'  
famous scissors slide and "safety" last  
hits of the famous batsmen of the  
teams.

## Large Number at Fete.

There was another large gathering  
at the St. James' parish lawn festival  
on the church grounds Tuesday even-  
ing. The fete has been very well  
patronized, although dates selected for  
gatherings last week had to be can-  
celled on account of the weather.

## Protection Measures Efficacious.

The health conditions in the town of  
Killingly continue to be exceedingly  
satisfactory. No case of infantile  
paralysis is known to exist within  
miles of this town, so, with the pro-  
tection measures in force, the health  
of Killingly children is regarded as  
reasonably safe from the disease rag-  
ing in New York and elsewhere.

## GYPSY BAND QUARANTINED.

Held Up at Killingly-Rhode Island  
Line by Health Officials.

A band of gypsies, traveling in au-  
tomobiles and wagons, was turned  
back at the Killingly-Rhode Island  
line and, under escort of Rhode Island  
officials, taken to a place not distant  
from Providence, to be put in quaran-  
tine.

A telephone message directed the  
attention of Killingly officers to the  
fact that the band was in the Con-  
necticut line and brought the ad-  
ditional information that the gypsies  
were wanted to be put in quarantine.  
On the eastern border of this town the  
band was intercepted and turned back  
and later they were taken in charge  
by Providence officials.

The band, composed of about forty  
adults and children, had two  
automobiles, bearing Georgia registra-  
tions, and three wagons. The crowd  
gathered in the town court on Tues-  
day morning and their tour of  
Southern New England is now inter-  
rupted by a quarantine that will keep  
them under close supervision for at  
least three weeks.

## CHAMPAGNE STIRRED UP

## PEACEFUL CHURCH SERVICE.

Now For 210 Days Oliver is in Brook-  
lyn at His Old Job.

Oliver Champagne, jailologist ex-  
traordinary, made a periodical ap-  
pearance in the town court on Tues-  
day morning and drew an order for  
210 days' stay at the Windham Coun-  
ty jail in Brooklyn. Oliver accepted it  
with as much grace as most people  
would a ticket for home and danced  
his way from the prisoners' dock back  
to his cell, with an admonition to the  
officer in charge of him to hurry  
around the limousine and get him back  
on his regular job.

This band of prisoners was charged with  
having been intoxicated and with breach  
of the peace. Monday evening he  
disturbed a church service and later  
in the business section. The act didn't  
make a hit with the police and he  
was locked up.

Champagne is the man who publicly  
proclaims that he is much more in  
favor of Brooklyn jail as a permanent  
resort than he is the New London  
County jail at Norwich. He has been  
called a guest at both many times. His  
aversion to being locked up at Nor-  
wich is known to the officers here, so  
when he had been sentenced Tuesday  
morning one of them told him that he  
was to be sent to Norwich because the  
Brooklyn jail was filled to capacity.

The disheartened prisoner, who al-  
most immediately brightened, how-  
ever, and came back with the sug-  
gestion that some prisoner be trans-  
ferred from Brooklyn to Norwich and  
he be given the vacancy at Brooklyn,  
where, he admits, he is better off than  
when at liberty.

Champagne was so well pleased  
when he learned that he was not going  
to Norwich that he offered to take  
the multimillion from the officer and de-  
liver himself at the jail, hiking the  
four miles to Brooklyn. He was given  
a ride over, though, by Deputy Sheriff  
Charles E. Ayer.

## POMONA FIELD DAY.

Pleasant Gathering at Roselawn Park  
in Woodstock.

Killingly, Brooklyn, Highland, Plain-  
field and Bronx granges were all re-  
presented Tuesday at the annual field  
day meeting of Quinebaug Pomona  
grange at Roselawn park, Woodstock.  
Grangers were present from all parts  
of Windham county and the program,  
as announced last month by Secretary  
Mrs. Susie G. Williams of Brooklyn,  
was carried out and provided a great  
deal of entertainment and amusement.  
A basket lunch was served. The day  
was one of the most perfect ever had  
at a field day meeting of the organiza-  
tion.

## Two Sessions This Year.

Beginning with the September term  
the high school and eighth grade will  
have two sessions. The hours under  
the new schedule will be from 8.10  
till 11.45 and from 1.15 till 3.15.

This will allow an hour and a half  
for dinner and still allow the Pom-  
fret pupils to catch the 3.30 train  
home. Each school day will be divided  
into seven 45-minute periods.

John J. Lane Chosen Principal.

John J. Lane, Rockland, Me., was  
elected principal of the Israel/Putnam  
school Monday night at a meeting of  
the school committee at the office of  
Torrey and Geisler. The salary will  
be \$1000.

Mr. Lane has recently been connect-  
ed with a boys' school not far from  
Worcester and comes to Putnam with  
splendid recommendations. He is said  
to be considerable of an athlete and  
particularly successful in handling  
boys.

It is expected that Mr. Lane and his  
wife and child, will come to Putnam  
very soon.

## Quarantine Regulations.

Notices signed by Health Officer E.  
C. Babson of Brooklyn, have been  
posted in Putnam announcing that no  
children except in transit, children re-  
turning to their homes, or with permis-  
sion of the health officer, shall be al-  
lowed in Brooklyn. This quarantine  
is the result of the infantile paraly-  
sis plague that is sweeping the coun-  
try.

It is expected that Mr. Lane and his  
wife and child, will come to Putnam  
very soon.

Following the reception will be  
dancing. In this way there will be  
something on the program that will  
appeal to everybody. Those who do  
not care for dancing will leave after  
the reception and those who wish to  
stay will do so.

The entertainment committee that  
will have charge of the entertainment is  
Mrs. Silas Wheelock, Miss Ger-  
trude Jones, Miss Etta Whiting, Mar-  
jorie Anden, Katharine Seward, Jo-  
sephine Gifford, C. Dwight Sharpe and

At a meeting of the common council  
Monday night Regis Boutilllette was  
elected to fill the vacancy in the po-  
lice force caused by the death of Pa-  
trick Hildage Brodeur.

The entertainment committee that  
will have charge of the entertainment is  
Mrs. Silas Wheelock, Miss Ger-

Following an anonymous threat to  
burn all the buildings on the beau-  
tiful estate of Oakleigh Thorne, pres-  
ident of the Trust Company of Amer-  
ica, at Millbrook, N. Y., detectives are  
closely guarding the place. In what is  
believed to have been an incendiary  
fire, one of the huge barns in which  
farm implements were kept was burn-  
ed to the ground. Later Thorne's  
private stables were similarly de-  
stroyed. Why these onslaughts are  
entered upon Thorne's estate is de-  
clared a mystery. Raymond E. Aldrich, dis-  
trict attorney of Dutchess county, is  
investigating.
